**Palmer Williams Group Supports Student Athletes at Williamson High School**

Mobile, Ala. – The Palmer Williams Group (PWG) is donating 25 pairs of Adidas cleats to the Williamson High School Baseball team. The cleats were funded through donations received from major community Sponsors that include Cooper T Smith, Hargrove Engineers, and Pilot Catastrophe. PWG’s mission is “Helping Today’s Youth See A Better Tomorrow” and believes that no child should ever be denied participating in organized youth sports because of their family’s inability to pay fees or purchase safe and high-quality sports equipment.

The cleats will be presented to the Principal and members of the baseball team by PWG Founder and President, Sherman Williams. The presentation will take place on the Williamson High School campus, located at 1567 East Dublin Street · Mobile, Alabama 36605 at 2pm on Wednesday, February 23, 2022.
